

## April 2018 MFBF Young Farmer and Rancher Upcoming Events

Dear John

Please consider joining us and bringing a friend at either of these two great farm tours that we have planned for April 2018. All young farmers are welcome to attend. Additionally, we'd like you to keep in mind the majority of our events are family friendly! We know many farmers in our age group may have young families and we encourage folks to bring their future generations if they are comfortable. My 4 year old has been to a handful of tours/socials, including the tour at Bartlett's most recently.

### **April 5, 2018 - Tour of Signal Rock Farm**

The YF&R is going to tour Signal Rock Farm in Charlton during lambing season. The group will see the management and oversight process of lambing, as well as discussing feeding and nutrition as the lambs grow.

This tour is a great opportunity for young farmers to learn about animal management from a working farm. We invite all young farmers to attend this tour!
